

Magic Valley Aeromodelers

May 2019 Minutes

The meeting was called to order at 7 p.m. in the meeting room of the Loon Hing restaurant by President Olen Foreman with 16 members in attendance. The minutes of the April meeting were read and approved as such.

Committee Reports:

Treasurer Report: \$6,188.95 currently in the club account

Safety Report: None

Maint Report: Everything is up and running as it should be. The safety guards have been put back on the mower. The water is on and is still considered non-potable.

Training Report: call Olen if you need training.

Old Business: Pylon race is on for August 24th and 25th and we are still in need of volunteers.

New Business: Due to changes coming from the FAA a new letter of agreement (LOA) needs to be signed with the airport. A lot of things are up in the air (no pun intended) with the AMA and the FAA right now. No one is to call the tower for field activity notices now and no one should make statements of any kind to the airport until the new LOA is in place. The format of the letter and any bylaw changes that may need to take place in order to submit this letter will be voted on during the next meeting. Please consider this as notice.

Crash of the Month: John Houser

Raffle: There was a raffle but I do not know who got what.
